

## Olim Fund of the Land of Israel

### Monthly distributions for December, 2006

Family Size	Location	Monthly Income	Overview of Situation Funded	Gift
2	Haifa	\$472	This single mother of a two year old is moving into a smaller apartment in order to cut down her expenses; however, she must pay three months rent in advance which is well beyond her capabilities. She also needs winter clothing for herself and her child	\$726
2	Karmiel	\$969	This 55 year old mother of a teenager has been living with various relatives since her divorce ten years ago. She has now made a down payment on a small flat to provide a home for herself, but it is totally unfurnished and she has no funds for even the most basic furnishings and appliances. This gift will provide a washing machine.	\$484
1	Haifa	\$557	This young single new immigrant woman from Hungry is attending college full time. She had a roommate who shared living expenses prior to the war last summer but the roommate elected to leave the North, thus shifting all expenses to this struggling student. This gift will provide two months rent while she looks for a new roommate.	\$629
3	Haifa	\$1259	This 55 year old lives with and is supported by his wife and two adult children. He is totally deaf and is therefore currently unemployable. This gift will provide him with a long needed hearing aide which will make him employable	\$726
1	Katzrin	\$691	This 78 year old Holocaust survivor has been alone since she was eight years old die top war inflicted injuries. She has been hand carrying her clothes to a laundry in town but she is now unable to continue doing so because of her declining health. This gift will provide her with a washing machine.	\$654

7	Katzrin	\$847	This 75% disabled father of five young children has been receiving regular government benefits that were inexplicably terminated. The agency responsible for what apparently is an administrative error is "looking into" the matter which cold take several months to resolve. This gift is to help this family weather this crisis until it can be sorted out.	\$726
1	Katzrin	\$713	This 53 year old recent widow has been forced to pay	

			three months rent in advance which is well beyond her capability and she is faced with potential eviction. This gift will see her through this crisis.	\$412
5	Karmiel	\$1161	This 53 year old factory worker lost his job in November while he was awaiting surgery for a serious condition. His surgery will be in January, and his unemployment insurance will hopefully begin then as well. This gift is to help them bridge the gap between the time of his lost income and his receipt of government assistance	\$605
4	Nazareth Illit	\$918	The young mother of two very young children had to give up her job with the birth of their most recent baby. Her husband's income is not sufficient to meet basic family needs and they are now threatened with eviction. He is looking for a better paying job, and she will be able to go back to work in time when the children can both attend kindergarten.	\$726
7	Kiriat Atah	\$901	This separated young woman supports her five children and elderly mother; however, there are insufficient funds available for them to meet basic survival needs. They are currently threatened with termination of their utilities. This gift will pay these long overdue bills.	\$484
4	Maale Efriam	nil	This battered wife was left with nothing by her drug addicted husband who severely beat her then vanished from the scene with the families meager assets. She is now seeking temporary shelter and other basic survival needs.	\$605
2	Haifa	\$908	This divorced mother of a teenager works part time. Her income was insufficient to cover the emergency dental needs of her son who was in constant pain before care was provided by our associated clinic in Haifa.	\$554
1	Haifa	nil	This recovered drug addict works as a volunteer at a rehab center. He had no means of paying for emergency dental needs that caused him to be in constant pain. He was treated by our associated clinic in Haifa.	\$339
3	Tiberias	\$533	This young mother of a two year old and her husband work in social welfare activities and receive minimum support from abroad. She was unable to pay for recent urgently needed dental care that was provided by our associated clinic in Tiberias.	\$726
			Total monthly distributions	\$8,396
