

Olim Fund of the Land of Israel

Monthly distributions for May, 2008

Family Size	Location	Monthly Income	Overview of Situation Funded	Gift
4	Mitzpe-Ramon	\$1100	This divorced mother of three young children has had to divert much of her marginal income to buy medicines needed to treat a very rare liver disease of one of her sons. Consequently, she has fallen far behind in the payment of utilities which are now on the brink of being terminated. This gift will help her resolve this situation.	\$303
3	Beer Sheva	\$1742	The head of this family has become 100% disabled due to his severely deteriorating health. His medical expenses far exceed what is provided by his insurance consequently, his wife's income is inadequate to cover all of their great expenses and they have fallen far behind. This gift will help pay for urgently needed medicines.	\$485
2	Asdod	\$1080	This pensioner has been caring for her 18 year old granddaughter following the tragic death of her parents in an accident/ This additional burden had taken up any possible excess in her small pension and she is unable to pay for some urgently needed dental care which is causing her constant pain. This gift will help to resolve this situation.	\$606
2	Beer Sheva	\$1364	The head of this family lost his job two months ago and is struggling to find new employment. His wife who is nearing the birth of their first child and has been forced to give up her job. Consequently, they are unable to pay for any of their basic needs, including even food. This gift will help to tide them over while he continues to look for new employment.	\$606

1	Jerusalem	\$1212	This young woman has just completed her training as a registered nurse which she paid for from her meager salary as a hospital worker. She fell far behind in her rent and utility payments while she was in training and is threatened with the loss of her home. This gift will help her transition into her much improved situation.	\$636
1	Jerusalem	\$1606	This single woman has just gotten a job after being unemployed for over one year. During this time she was living with a person who in the end stole what little money she had left and ran off. This gift is to cover her long overdue utility expenses while she makes the adjustment to her much improved situation.	\$379
3	Haifa	\$100	This recovering drug addicted woman with two young children is living in a rehab center and working as an unsalaried volunteer until she completes the program and is able to find work. Since she is in the process of getting a divorce, the government will not provide her with assistance. She is in urgent need of dental care and is in constant pain. This gift will provide for immediate assistance.	\$303
3	Haifa	\$445	This is another woman with two young children in the same rehab center as the foregoing situation above. The only basis difference is that this person receives a small government stipend which is still insufficient to cover her very urgently needed dental care. This gift will pay for several tooth extractions to stop her constant pain.	\$273
4	Nazareth Illit	\$1197	This family with two young children just moved to their new location from Ashdod where their very expensive lease ran out and the head of the family had just lost his job. Both parents are not urgently looking for work in their new location. This gift is to help them cover basic expenses during their transition.	\$379
1	Arad	\$996	This pensioner receives a small stipend from the government which is inadequate to cover her urgently needed dental care. Her dentist is 1/3 finished with her most serious needs but will not proceed until he receives payment. This gift will resolve this situation.	\$606

2	Kiryat Shmona	\$1167	This pensioner couple is barely surviving on their small stipend from the government and have no other income. She is in urgent need of dental care and has no means to pay for it.	\$455
2	Arad	\$958	This 76 year old wife of this pensioner couple has a number of health issues and had recently grown almost completely deaf. This gift will help to buy her a badly needed hearing aid.	\$606
1	Kiryat Ata	\$1246	This 72 year old pensioner urgently needed full mouth dentures and had been subsisting on baby food for several months. His and his wife's meager income would not allow for him to deal with this need.	\$909
1	Haifa	\$803	This divorced woman is barely subsisting on her government stipend. She has a life threatening dental abscess that needs immediate attention and has no place else to turn for assistance.	\$545
1	Acco	\$606	This 78 year old widow is in urgent need of dental care to relieve her constant pain. This gift will pay for two extractions and full mouth dentures.	\$909
			Total monthly distributions	\$8,000
