Family Size	Location	Monthly Income	Overview of Situation Funded	Gift
3	Afula	\$971	This young widow is struggling to raise her two teenage children with the proceeds of a small government pension. This gift is to provide her with a pair of urgently needed glasses, school supplies for her children and to restock her refrigerator and pantry which are virtually empty.	\$829
1	Nazareth Illit	\$629	This 53 year old unmarried woman is a 75% invalid who is surviving on a small government stipend since she is unable to work. This small gift is to repair her toilet. She has also been referred to one of our cooperating dental clinics to evaluate her apparently very serious dental needs.	\$86
2	Nazareth Illit	\$914	This couple in their late 70's are Holocaust survivors who have fallen on very hard times. He recently underwent back surgery which failed and left him a 100% invalid. This gift is to provide urgently needed dental care that will enable him to eat other than baby food.	\$571
2	Sedrot	\$1,212	This pensioner couple live in Sedrot where they have been under daily bombardment by Hamas rockets for the past several months. The wife has GI cancer and is unable to digest her food normally. The doctor has recommended that she eat food cooked in a micro-wave which they cannot afford to purchase, hence this gift.	\$286
1	Sedrot	\$831	This 87 year old widow who lives in Sedrot was thrown into a long term state of shock when a rock hit her home. She is just now beginning to recover but has lost the vision in one of her eyes. This gift is to replace her stove which is unrepairable.	\$371

1	Sedrot	\$614	This 78 year old widow also lives in war torn Sedrot. She is suffering from kidney cancer and is in urgent need of dental care since she is in constant pain. This gift will provide for some of her most urgent dental needs and provide her with a floor fan for her stifling hot apartment.	\$771
2	Sedrot	\$934	This couple in their late 70's also live in Sedrot. She is legally blind and he does not leave her side His most humble request was to provide them with a fan to help them in the summer and a blanket to provide them warmth during the coming winter. Considering their overall dire needs the Board granted them even more than they had requested.	\$429
4	Karmiel	\$687	This young divorced woman is struggling to provided for her three children on a small government stipend. She has been unable to find employment for several months and continues her desperate search for same. This gift will cover long overdue utility bills and scholl supplies for her children.	\$429
3	Haifa	nil	This couple in their late 50's with an adult son living at home are in dire circumstances. She recently had a major heart surgery and is receiving no compensation from her former employer. He is chronically ill and unable to work. The son is unemployed and looking for work. They will remain without income until she is able to establish some assistance from the government which could take an extended time. This gift is to help tide them over.	\$343
1	Haifa	\$589	This single pensioner is a cancer sufferer in urgent need of medications not provided by the government. This gift will help to resolve this problem and also help her pay for her current month's rent which she is unable to pay and is overdue.	\$257
